| 09.15 - 09.30| Facts & Figures Rehabilitation Center Valens | Dr. med. T. Hornung  
CEO Kliniken Valens                                          |
| 09.30 - 09.45| The FCE Research Forum – Swiss FCE Association | Dr. P. Oesch PhD  
President Swiss FCE Association                                      |
| 09.45 - 10.30| FCE in Swiss Insurance Medicine (SIM) | Dr. iur. I. Herzog-Zwitter  
Scientific legal assistant, asim Basel  
Dr. med. A. Klipstein  
President SIM |
| 10.30 - 11.00| Inter-rater agreement in evaluation of disability: Systematic review of reproducibility studies | Prof. Dr. med. R. Kunz  
Leader Competence Center, Insurance Medicine, Suva |
| 11.00 - 11.30| Break                                |                                                                          |
| 11.30 - 12.00| Update the evidence on FCE          | Dr. S. De Baets PhD, Dr. D. Van de Velde PhD  
University of Gent                                               |
| 12.00 - 12.30| Research in FCE                      | Jone Ansuategui Echeita  
PhD Student, University of Groningen                               |
| 12.30 - 13.30| Lunch                                |                                                                          |
| 13.30 – 14.00| Benefits for employers and employees: Safe back to work with the Ressource Oriented Inclusion Profile | Dr. R. Knöpfel  
Continget Zurich, Consultant to Executives                                            |
| 14.00 - 14.30| The use of FCE in work related rehabilitation - the German pension model | Dr. M. Steibelt PhD  
Deutsche Rentenversicherung Bund, Berlin                                      |
| 14.30 - 15.00| Integrating FCE to predict work rehabilitation outcomes | Dr. T. Alles PhD  
Institut für Qualitätssicherung in der Prävention & Rehabilitation, Köln |
| 15.00 - 15.30| Predictive value of the Fear-Avoidance Model and influence of activity patterns on FCE | Dr. med. C. Burrus  
Associated Physician, Clinique de Réadaptation, Sion                           |
| 15.30 - 15.45| Break                                |                                                                          |

#### Roundtable Discussions (held in German)

<table>
<thead>
<tr>
<th>Time</th>
<th>Abstract Session 1</th>

<th>Roundtable Discussions</th>
</tr>
</thead>
</table>
| 15.45 - 16.00| Reliability and agreement of Neck Functional Capacity Evaluation tests in patients with chronic multifactorial neck pain | Michiel F. Reneman          | Roundtable 1 APA  
Barbara Tissi  
EFL Instruktor |
| 16.00 - 16.15| Concurrent validity of the Workwell observation criteria for determination of workload during lifting in healthy subjects | Remko Soer                   | Roundtable 2 APA  
Barbara Tissi  
EFL Instruktor |
| 16.15 - 16.30| Reliability and validity of a Short Form Upper Extremity Functional Capacity Evaluation in patients with complaints of the arm or hand | Redmar J. Berduszek         | Roundtable 2 APA  
Barbara Tissi  
EFL Instruktor |
| 16.30 - 16.45| Procedures to develop a computerized adaptive test to assess patient-reported physical functioning | Doug Gross                   | Roundtable 2 APA  
Barbara Tissi  
EFL Instruktor |

End of Day 1
Friday | 21\textsuperscript{st} September

17.30 - 21.20 Dinner & Surprise in the Tamina Gorge

**Bus to Tamina Gorge**
- Dept. Valens Clinic 17.03
- Arr. Bad Ragaz Dorfbad 17.16
- Dept. Bad Ragaz Dorfbad 17.30
- Arr. Tamina Gorge 17.50

Sportive persons can hike directly from Valens Clinic to the Tamina Gorge (30 Minutes, good shoes required).

**Bus returns to Bad Ragaz**
- Dept. Tamina Gorge 21.00
- Arr. Bad Ragaz Dorfbad 21.20

Saturday | 22\textsuperscript{nd} September
